Pathways Faculty Mentors

Who are Pathways Faculty Mentors?

- Faculty nominated by the QEP Committee and/or Vice President of Instruction
- Partners with the Staff Pathways Advisors to offer academic and career guidance to students
- Coordinate engagement opportunities for students in their pathway
- Provide individual mentoring advice to pathways students through appointment and office hours

What are Pathways Mentorship Experiences?

- Student Focused
- Activities that promote engagement with the pathway
- Enlightening experiences that will increase student success
- Specialized, as well as general, events promoting career opportunities within the pathway

SCIENCE, TECHNOLOGY,
ENGINEERING & MATH

STEM Pathway Resume Workshop

.....

The STEM Pathway Advisor and STEM Faculty Mentors, together with guest presenter Sarahy Farley, are pleased to offer a resume workshop for students looking to enter careers in the fields of science, technology, engineering, or mathematics. During this event we will look at “best practices” for building an effective resume as well as provide time for individuals to ask questions specifically relating to these fields.

This resume workshop is open to all students in the STEM Pathway at ACC, as well as prospective STEM students.

Tuesday, October 5 | 4 pm - 5 pm
Microsoft Teams Meeting

To join, visit:

<https://bit.ly/STEM-Resume-Workshop>
