School of Manufacturing and Industrial Technology

# Why We Need TRUE Pathways

During the pandemic, those with the least education experienced the highest unemployment.

Source: Georgetown University Center on Education and the Workforce analysis of US Census Bureau and Bureau of Labor Statistics, Current Population Survey (Basic Monthly), 2020.

## Pathway Success Wraparound Model Ideal Design

## Engage, Support, Connect Ideal Design

Success Coaches will engage Specialists when specific expertise is required through a simple, integrated process for students.

Engage

Support

Connect

When specific expertise is needed the Success Coach will engage specialists.

**Success Coach facilitates the engagement** to eliminate cold handoffs, student bounce and to help remove student barriers to resources.

**Pathway Specialists support student pathway selection and persistence** on path through completion by compiling and communicating expert transfer and career-integrated degree path information and career mapping for use by students and success coaches.

**Career and Transfer Skills Development Specialists help students explore and develop the skills** needed to successfully transfer to a four-year university and/or enter the workforce. They provide soft skills development, resume building, career and transfer connections, exploration, application, and scholarship assistance.
