5-Year Trend in College Revenues

Fall 2021 Enrollment: 17,077
In 2020, the Texas Comptroller released a study on the state’s 50 public community college districts. The study details the importance of these institutions in preparing young Texans to further their educations and begin successful careers in the state’s workforce. Building on this study, comptroller and TACC regions were aligned to develop workforce insights.

*In some cases, this may result in underestimating of jobs and economic impact. Key occupations and top employers may differ at the college service area level.

Community colleges in this region supported:

11,024 jobs

Community colleges in this region reported a total economic impact of:

$1.24 billion
