 Williamson

## Signature Programs

**Texas Bioscience Institute (TBI)** A program that supports high school students through STEM associate degrees related to high-wage careers including health care. This model allows students to attend from any school district and graduates are highly sought after from competitive selection universities.

**Premier Health Programs, Simulation, and Facilities** offering some of the most innovative health care programs available built through strong partnerships with Baylor Scott & White Hospital System, Veterans Affairs Administration Hospital, Laerdel, and other important health care organizations.

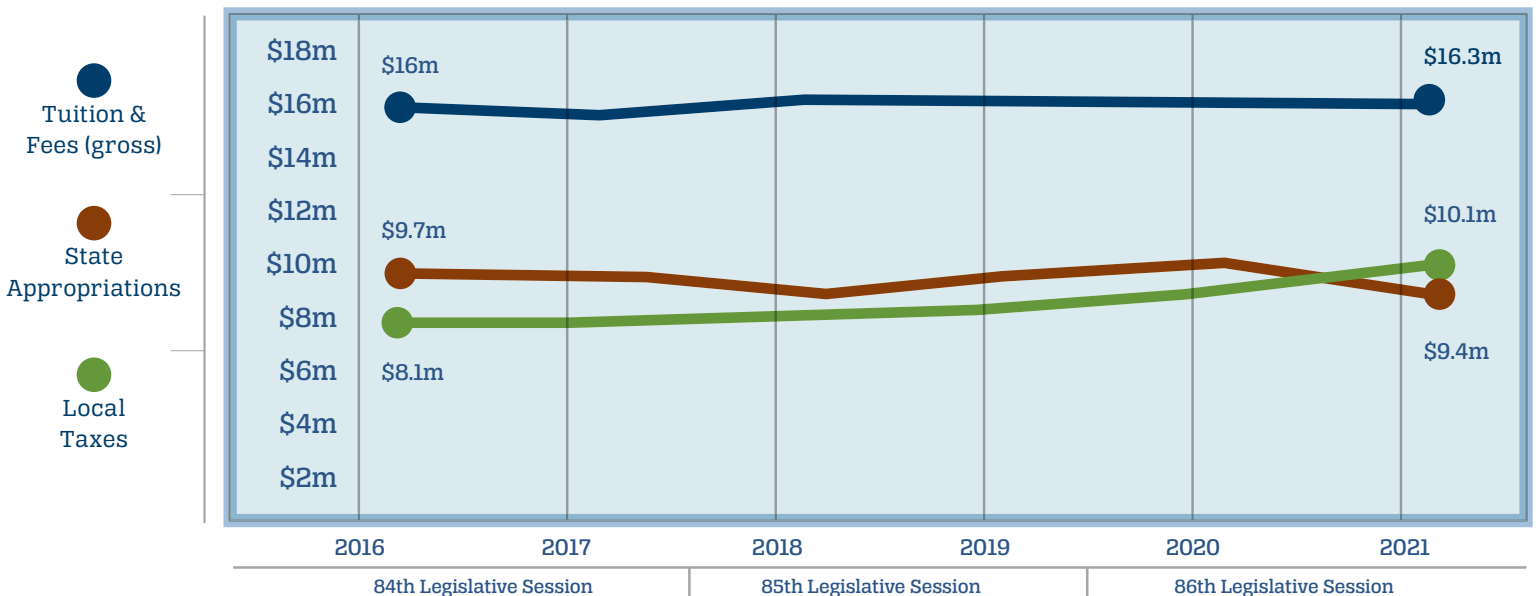

**New Electromechanical Engineering Technology** A program featuring accelerated coursework, workforce preparedness, simulated environments, and work-based learning experiences that connect highly skilled students to employers.

## Student Demographics

Fall 2021 Enrollment: 3,959

## 5-Year Trend in College Revenues

# Workforce Opportunities

## Central Region Snapshot

In 2020, the **Texas Comptroller** released a study on the state's 50 public community college districts. The study details the importance of these institutions in preparing young Texans to further their educations and begin successful careers in the state's workforce. Building on this study, comptroller and TACC regions were aligned\* to develop workforce insights.

\*In some cases, this may result in underestimating of jobs and economic impact. Key occupations and top employers may differ at the college service area level.

**Texas Association of  
Community Colleges**

**Community colleges in  
this region supported:**

**11,024 jobs**

**Community colleges in  
this region reported a  
total economic impact of:**

**\$1.24 billion**
