## Student Demographics

Fall 2021 Enrollment: 11,898

## 5-Year Trend in College Revenues

# Workforce Opportunities

## East Region Snapshot

In 2020, the **Texas Comptroller** released a study on the state's 50 public community college districts. The study details the importance of these institutions in preparing young Texans to further their educations and begin successful careers in the state's workforce. Building on this study, comptroller and TACC regions were aligned\* to develop workforce insights.

\*In some cases, this may result in underestimating of jobs and economic impact. Key occupations and top employers may differ at the college service area level.

**Texas Association of  
Community Colleges**

**Community colleges in  
this region supported:**

**4,738 jobs**

**Community colleges in  
this region reported a  
total economic impact of:**

**\$440.2 million**
