Career Coach Interest Assessment

Read the statements and choose the answer that best fits you.
Once completed...you will be able to see your results!

**Your Top Three Traits are: Social, Investigative,
Enterprising**

Social

Social people are friendly and outgoing. They are cooperative and enjoy working with and being around other people. They are understanding and insightful concerning the feelings and problems of others. They like to be helpful to others by serving in facilitative roles such as those of teachers...

[Show More](#)

Investigative

Investigative people are naturally curious and inquisitive. They have a need to understand, explain, and predict the things that go on around them. They are scholarly and scientific in their attempts to understand things and tend to be pessimistic and critical when non-scientific, simplistic, or... [Show More](#)

Enterprising

Enterprising people are self-confident, outgoing, and optimistic. They like to organize, direct, and control the activities of groups. They are ambitious and like to be in positions of authority. They place a high value on status, power, money, and material possessions. They like to feel that they... [Show More](#)
