Texas Success Center

Theme

A strategic vision for a new “Texas Landscape.”

Objective

Trustees will commit to action for pathways that lead to upward economic mobility for students, economic growth for the regions, and drive institutional innovation and sustainability by:

- Setting the strategic direction for excellence in post-completion outcomes;
- Supporting a culture of change to address the new Texas Landscape;
- Monitoring student completion, transfer, and post-completion outcomes.

Purpose

The Board of Trustees Institute provides an opportunity to:

- Convene board and CEO delegates from Texas community colleges to share and elevate knowledge of how effective governance contributes to a bold focus on excellence in students completing a credential of value that leads to post-completion success in transfer and/or career with family-sustaining wage for all students;
- Develop institutional capacity to introduce, foster, and sustain a comprehensive student success, completion, and post-completion agenda;
- Enhance understanding of board/CEO roles and responsibilities in establishing policies; and
- Contribute to a community of board members and CEOs as lifelong learners and advocates for improving post-completion success for every student.

PLENARY PRESENTATION:

Building AI Agility: Empowering College Completion, Job Outcomes, and Regional Upskilling in the Age of AI

This session directly appeals to Community College Trustees and leaders on how to embrace and capitalize on the power of AI agility, addressing its significant role in enhancing college completion, student preparedness, and the strength of the regional workforce. In addition, the talk provides helpful frameworks to audience members, enabling them to develop their own strategies for building AI agility within their institutions. These frameworks are designed to guide and support educational leaders in aligning AI initiatives with long-term institutional goals, sustainability, and the broader mission of their organizations.

RESIDENT FACULTY

EILEEN BACCUS
Ph.D.

Eileen Baccus serves as a consultant to institutions of higher education and continues coaching a significant number of Achieving the Dream colleges in their efforts to improve the retention and graduation rates of low-income students and students of color since the initiative's inception.

Previously, Eileen was the president of Northwestern Connecticut Community College and the former Thames Valley State Technical College. She also held administrative positions at the University of Connecticut. Having served on numerous Boards, Commissions, and Advisory Committees for AACC, ACE, and the College Board, she is currently in her second term on the Board of the National Student Clearinghouse and NSC's Research Center Board of Directors.

CYNTHIA FERRELL
Ph.D.

As vice president of the Texas Success Center, housed at the Texas Association of Community Colleges (TACC), Cynthia Ferrell supports the implementation and scaling of student success strategies and policies for the 50 community college districts in Texas.

Prior to joining the Texas Success Center, Cynthia served as director of Student Success Initiatives at The University of Texas at Austin, as well as national director of leadership coaching for Achieving the Dream, director of the Board of Trustees Institute, director of Gulf Coast Partners Achieving Student Success, and UT director of the Governance Institute for Student Success. In these roles, she provided training and ongoing support for community college trustees, chancellors, presidents, and leadership teams to implement data-informed policies and practices to improve the success of all students.

Formerly the director of the Texas Developmental Education State Policy Initiative, Cynthia supported strategies jointly developed by TACC and the Texas Higher Education Coordinating Board to scale successful innovations statewide and establish policy supports to improve developmental student success.

She earned a Ph.D. in higher education administration from the Community College Leadership Program at The University of Texas at Austin.

MARTHA ELLIS
Ph.D.

Martha Ellis is the senior pathways lead for the Texas Success Center, Aspen Unlocking Opportunity Coach, Talent Strong Texas Pathways Coach, leadership development consultant and professor in residence at The University of Texas at Austin bringing deep experience, substantive knowledge, and research-based innovation to leaders and boards of trustees as they confront the challenges and opportunities facing higher education today and in the future.

Martha has 35 years of experience in a variety of leadership positions at universities and community colleges in Texas, New Mexico, and Oklahoma. Martha was Managing Director for the Charles A. Dana Center at The University of Texas at Austin and Associate Vice Chancellor of Academic Affairs for the University of Texas System. She was president of Lee College and Texas State Technical College. Martha has won numerous teaching awards, has scholarly publications, served on national boards and is an invited presenter at national conferences. Martha was recognized by the U. S. Congress and Texas House of Representatives for her leadership in community colleges.

MARIA HARPER-MARINICK
Ph.D.

Maria Harper-Marinick served the Maricopa Community College District in Arizona for almost 30 years in a variety of leadership roles, including nearly four years as chancellor. Maria has served on the boards of the American Council of Education, American Association of Community Colleges, Excelencia in Education, Hispanic Association of Colleges and Universities, and many other organizations. She chaired the Federal Advisory Committee on Student Financial Assistance and is an Aspen Institute Ascend fellow and a distinguished fellow of the Arizona State University Morrison Institute for Public Policy.

Diverse: Issues in Higher Education named Maria one of 25 exceptional women leaders who have made a difference in higher education.

Maria is originally from the Dominican Republic and came to the U.S. as a Fulbright Scholar.

RESIDENT FACULTY

TED WRIGHT
Ed.D.

With 35 years of experience in higher education, Ted Wright currently serves as a data coach for multiple colleges and universities participating in the Achieving the Dream National Reform Network. As a data coach, Ted guides colleges in the development, analysis, and use of student outcomes data to inform improvement efforts. In over a decade of coaching Achieving the Dream institutions, Ted has helped community colleges in Texas, Massachusetts, Connecticut, Louisiana, Kansas, and Florida build capacity to incorporate evidence in planning, implementing, and evaluating reform initiatives.

Prior to his data coaching role, Ted served as director of research and planning at Broward Community College in Ft. Lauderdale, Florida for over 20 years, followed by a tenure as special assistant to the president of Broward. Previously, Ted served as a senior research associate at Miami-Dade Community College, now known as Miami Dade College. Ted also taught educational research methods in the College of Education at Florida International University in Miami. Ted earned an Ed.D. in higher education leadership from Florida International University.
