

Mapping Student Success

Students do not have the resources needed to make a plan to help them accomplish their goals. We need to create and communicate the student-centered tools to help them reach their goals.

Changes Proposed :

- Adopt Best Program Maps
- Develop Uniform Roadmaps
- Improve Website Navigation
- Review Leaders in Roadmaps
- Adjust for Part-Time Study

Expected Outcomes:

- Uniform program roadmaps
- Intuitive website navigation
- Improve materials at institutions
- Scale challenges to empower students
- Better student experiences and achievements
