

Texas CoReq Project

Our training features:

This webinar will explore the theory and practice of culturally responsive/sustaining pedagogy and how it can be utilized in hybrid and online delivery of course content. The session will include discussion of suggested assignments, culturally relevant literature for the classroom and issues of digital equity that should be considered in curriculum design for the fall.

Transformative Teaching Track Zoom Session

July 15th, 10:30 to noon.

TTT is an experiential and intensive training in classroom strategies, co-curricular design with an emphasis on culturally responsive practice.

Texas CoRequisite Project

Should I Attend this Training?

Join us if you are a content-area or developmental instructor who wants to be part of a statewide community of practice focusing on personal and professional development in order to meet the needs of a diverse student population.

How does this training address HB 2223?

Our training is tailored to meet the needs of faculty who wish to play a leadership role in response to House Bill 2223 and the Texas Higher Education Coordinating Board's 60x30 campaign.

To support this work, our professional development emphasizes the breaking down of institutional silos and the creation of learning communities across disciplines.

About Us:

CTN is a college readiness and completion organization empowering students to catch their career and college dreams.

Since 2012, CTN has supported faculty in their work by provided exceptional professional development to teams from 12 colleges in Texas and is at the forefront of advancing educational outcomes through institutional change.
